2. AGENDA

Discussion on Organized Events Related to Research Methodology (Including Workshops, Conferences, and Seminars)

In the meeting of the Research Advisory Committee held on 22-11-2024 all the members unanimously decided that all events related to Research Methodology (including Workshops, Conferences, and Seminars) organized by departments must involve the Research Cell to ensure proper planning and execution. This will help maintain content quality and align the activities with the institution's research objectives.

Furthermore, all such events must obtain prior approval from the Dean (Research). This approval process ensures that academic and logistical aspects meet the required standards, and that resources are utilized efficiently.

For further clarification, please contact the Research Cell.
