

Panel Discussion ‘Approach to Dyslipidemias’ –

The Department of General Medicine, AIIMS Bathinda organized a virtual Panel Discussion on ‘Approach to Dyslipidemias’ on 6th October 2021. The event was conducted with encouragement from Dr. DK Singh, Director AIIMS Bathinda and Dr. Satish Gupta, Dean and AMS. Dr. Preeti Dhoat, HOD General Medicine, was the Organizing Chairperson, Dr. Amandeep Kaur was the Convenor, Dr. Niket Verma was the Moderator and Dr. Ankush Upneja was the Organizing Secretary of the panel discussion. The panellists for the event were Dr. MK Garg (AIIMS Jodhpur), Dr. Col. KK Ashta (BHDC & ACMS Delhi Cantt.), Dr. Surender Deora (AIIMS Jodhpur), Dr. Ramil Goel (Univ. of Florida USA) and Dr. Vitull Gupta (Bathinda). The theme of the panel discussion is very relevant in the current times when the incidence of dyslipidemias is rising along with a rise in the incidence of cardiovascular diseases and diabetes mellitus. The panel discussion was attended by faculty members and doctors from across the country and was well appreciated by everyone.
