ALL INDIA INSTITUTE OF MEDICAL SCIENCES, BATHINDA

Geriatric Clinic was inaugurated on 27th Feb, 2026 under the guidance of honorable Executive Director, Prof. (Dr.) Ratan Gupta, in the Department of General Medicine, AIIMS Bathinda. This initiative has been established to provide comprehensive, multidisciplinary care for elderly individuals under one roof. The clinic brings together expert consultation from diverse specialties including General Medicine, Orthopaedics, Dental Sciences, Obstetrics and Gynaecology, Neurology, Psychiatry, ENT, PMR, Urology, Ophthalmology, and CFM. By integrating services across these departments, the Geriatric Clinic ensures coordinated and holistic management of multiple health concerns commonly faced by elderly individuals. This patient-centric approach minimizes the need for multiple departmental visits and enhances convenience, continuity of care, and overall healthcare outcomes for the elderly population.
