

Swachhata Pakhwada was inaugurated today under the leadership of Prof. Dr. Neerja Bhatla, President AIIMS Bathinda and Executive Director Prof. Dr. Ratan Gupta at All India Institute of Medical Sciences Bathinda with active participation from Faculty, Staff, and NABH Nodal Officers.

The initiative focuses on cleanliness drives, infection control, biomedical waste management, and sustainable “Zero Waste” practices to promote a safe and healthy hospital environment.

Together, we pledge for a cleaner, greener, and safer healthcare system.
